

# WHAT TO KNOW ABOUT CATERING EVENT PERMITS

## WHAT IS IT

These are the permits that businesses that hold Caterers Licenses or Commercial Caterers Licenses need to apply for and receive to serve alcohol at any of their events. Any single event may not exceed 4 consecutive days

## APPLICATIONS

Each \$20 permit must be submitted by the licensee and approved by the town the event is to be held in. It should be submitted to DLL at least 5 days prior to the event date

## OUTSIDE CONSUMPTION

Events with more than 200 attendees must indicated on the application. Outside events with over 200 attendees may be required to meet outside consumption barrier rules for defined spaces

## ALCOHOL BEING SERVED

The permittee is responsible for all alcohol being served at the event. It must be purchased by the licensee on invoice from a licensed distributor, wholesaler, direct to retail shipper or an 802 Spirits store

## RULES

All servers must have valid 1st class server certifications and all other DLL Regulations concerning the serving of alcohol must be followed
