

WHAT TO KNOW ABOUT SPECIAL EVENT PERMITS

WHAT IS IT

A Special Event Permit allows manufacturers within the event boundaries to serve full pours and tastings of their own products as well as sell unopened bottles/cans of their own product for offsite consumption. Tastings and to-go sales only (no full pours) if it is being held on an already licensed premise.

THE EVENT

The event cannot be longer than 4 days. Permit holders may have no more than 20 events at the same location per year.

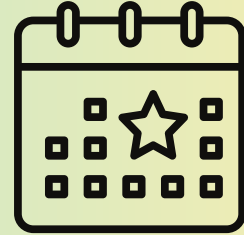

RULES

Everyone working must hold a valid manufacturer's training certifications and all other DLL regulations concerning the serving and selling alcohol must be followed.
